Send Logs

- RENAISSANCE ELD is capable of producing and transferring the ELD records via telematics transfer methods: Wireless Web services and Email. In order to send the ELD records via Web services a driver must press "DOT Inspection" menu item and then press "Send Logs" button. In order to send the ELD records via Email a driver must press "DOT Inspection" menu item, press "Email Logs", enter an email provided by an authorized safety official and press "Send" button.

RENAISSANCE ELD Inspection Mode

- Tap "DOT Inspection" in the menu & press "Start Inspection". Let an officer to view your logs directly from your mobile device. Show this instruction card if requested.
- An inspector may press arrows to view previous or next day's logs.
- An inspector may view the log form, the log graph and the log events with notes.
- Exit the inspection mode by pressing back arrow in the left top corner of the app.

In accordance with the guidelines set forth in 395.34

Malfunction indication Immediately contact the support if LED light on the device is off when the device is plugged into the diagnostic port or if the malfunction reported by the app.
